

# Application Form for Adjunct Teachers to Enroll in the National Health Insurance Program at Tunghai University (THU)

Note:

1. Those who need to enroll in the national health insurance program must reapply for enrollment every semester; the school does not automatically include them.
2. The premium will be deducted from the school's hourly pay.
3. When enrolling in the national health insurance program, the adjunct teacher is first enrolled in the lowest payroll bracket. After the add/drop & course selection period ends, the school will then adjust the enrollment and employee contribution to the appropriate bracket according to the actual teaching hours.
