Application details (please read through carefully):

- 1. Please fill out the columns of this form in detail.**
- 2. For newborns, the date of birth shall be their date of enrollment.**
- 3. Family members applying for enrollment as dependents, as stated above, shall submit an NHI withdrawal form and a copy of their National ID or household registry along with the application. If the dependent is a foreign national, they must submit a copy of an Alien Resident Certificate proving they have been residing in Taiwan for more than six months.**
- 4. When the faculty member's adult children apply as dependents, they must submit a certificate of enrollment (such as a copy of the student ID).**
